Evaluation, Placement and Registration

- ▶ The process of students' evaluation, placement and registration is carried out by the Student Affairs Office of Karadeniz Technical University. (<https://www.ktu.edu.tr/oidb>)
- ▶ Priority is given to those with the 2022 KTUYOS exam score. The students are supposed to make a maximum of five choices.
- ▶ The placement is made regarding the 2022 KTUYOS result, high school diploma grade (on a scale of a hundred), and date of birth (younger students are given priority). Then, students' surnames are alphabetised and the placement is completed for the announced vacancies.
- ▶ In case of not filling the vacancies in the first placement, high school diploma grade (on a scale of a hundred), date of birth (younger students are given priority), and the alphabetised surnames of the students are taken into the consideration for further placements.

Required Documents to Upload on the Web Page

- ▶ A copy of the High School Diploma (approved by the directorate of the graduated high school in the Turkish or English languages),
- ▶ Student's certificate and transcript (for senior students who haven't graduated yet)
- ▶ A copy of the Passport/ID
- ▶ Official documents proving the duration of high-school education to be completed as formal education in the related country or the dates of student's entry and exit to the related county- (For those having dual nationality or Turkish citizens who graduated from schools abroad.

Study in Trabzon

International students can get admission to one of the three universities located in Trabzon with the KTUYOS exam result and have the opportunity to study in Trabzon. International students can also enjoy the facilities organized by Karadeniz International Students Association (KULDER) and various institutions as well as the social, cultural and sports facilities offered by the universities in Trabzon.
